

MICHAEL RADTKE

Bent Pinky

Michael Radtke is a songwriter and entertainer. He has built a brand as the Multiple Personality Quartet, performing his songs in different voices as well as different musical styles:

*"Jazz, swing, urban blues,  
Broadway style, and country muse.  
Folk, rock, bluegrass, pop,  
Just about everything except hiphop.  
Ballads, stories, whimsy, bitching,  
Subtle rhymes sometimes bewitching.  
Humor, nonsense, horse-sense, whacked,  
And occasional surprises when lines don't rhyme."*

- Michael Radtke

Radtke's started writing songs when he was 13. From that point, his stable of tunes grew to be the horse power behind Mad Fables. He has gained a reputation among fellow musicians for his lyrical sense of humor and prolificacy.

He lives, writes and performs in Northern California. His latest CD is entitled "Growler".
